# CANINE LIFE®

**FOR THE LOVE OF YOUR DOG**

**'OUR DOGS MAY NOT BE OUR WHOLE LIFE, BUT THEY MAKE OUR LIVES WHOLE'**

Please read all instructions before preparing **CANINE LIFE**.

### INGREDIENTS:

- 3 cups **CANINE LIFE**, Pre-Mix
- 1 cup pureed\* broccoli, washed
- 1 egg (including the shell, crush in your hands)
- 1 medium/large sized red apple, washed, cored, pureed\*
- ½ - 1 cup blueberries (can be fresh or frozen)
- ½ cup pure cranberry juice
- 1 cup distilled or filtered water (wait to add this, with all the other liquids, you may not need water)
- 8 tablespoons (1/2 cup) organic cold pressed safflower oil
- 1 ½ pounds ground chicken
- ½ pound pureed chicken liver (you must put this through a cuisinart or blender before adding to the mix)

\*Pureed means chopped very fine, i.e. food processor, cuisinart, blender, meat grinder, food grater. All veggies & meat go into the mix raw.

The ½ pound of organ meat can be substituted for a ½ pound of ground meat. The total protein added should be 2 pounds altogether. The organ meat is recommended for taste and protein level, but if your dog cannot tolerate organ meat, then use 2 pounds of ground meat.

### INSTRUCTIONS:

- Preheat oven to 350F (180C) degrees.
- Lightly grease a 9 x 12 baking pan, or muffin tins. One batch makes 18 squares or 18 regular sized muffins.
- Combine all ingredients in a large bowl, and mix **well**.
- Place mixture into 9 x 12 baking pan or muffin tins.
- Baking Pan: 50 – 60 minutes.
- Muffin Tins: 25 - 30 minutes.
- Remove from oven and cool to room temperature, before storing in an air tight container or ziplock bags. Refrigerate 2 to 3 days worth of food, and freeze the rest.

\*\*\*Helpful Tip: Fill empty muffin shells 3/4 full with water, to protect them from scorching in the oven.

### THE FOLLOWING CAN BE USED AS VARIATIONS:

Oil: **CANINE LIFE** recommends the use of organic cold pressed oils, including safflower, sunflower, and canola.

Vegetables: The one cup of vegetables can be any combination of cruciferous vegetables, i.e. broccoli, arugula, bok choy, Brussels sprouts, cabbage, cauliflower, Swiss chard, collards, kale, kohlrabi, mustard greens, radishes, rutabaga, turnips, turnip greens and watercress.

Protein: regular ground beef, chicken, turkey, lamb.

If you have any questions or concerns, please don't hesitate to contact us.
